Delaware River Cruise
Lunch on the Moshulu

The Mid-Atlantic Chapter of the ACBS is hosting a cruise on August 28 launching from Neshaminy boat ramp at 10:00AM. GPS address : 1300 Fourth Ave, Bristol, PA 19007. We will cruise South along the Delaware to Penn's Landing with docking space provided by the Independence Seaport Museum and ultimately walking to the Moshulu for a great lunch experience at 11:30. After lunch you may continue South and get great photo ops of the SS United States or the Battleship NJ. Both vessels will offer some of the best angle photos as we cruise by in our 20' boats. At that point you may return to Neshaminy boat ramp or feel free to continue cruising the Delaware River. The total distance covered would be approximately 30 miles. Our boating season is approaching Autumn with only a few more weeks for boating. We would love to see you on the water!

Pls confirm to cdeleo10@comcast.net if attending by Aug 20. . Ordering from menu
