

MID-ATLANTIC CHAPTER ACBS

ONE LAST CRUISE BEFORE THE BOATS GO AWAY!

SATURDAY, SEPTEMBER 26, 2026

CRUISE • LUNCHEON • CAMARADERIE • CLASSIC BOATING

Before another boating season slips into our wake, join your fellow Mid-Atlantic Chapter members for **one final day on the water!**

Bring your antique, classic—or simply your favorite—boat and enjoy a relaxing cruise along two of South Jersey's most historic and scenic waterways, the

Mullica and Bass Rivers.

The Mullica River has been part of South Jersey's history for centuries, winding through the New Jersey Pinelands before reaching Great Bay and the Atlantic. The neighboring Bass River and New Gretna area developed around farming, mills, lumber, fishing and, eventually, a proud tradition of boatbuilding.

BUT THIS DAY IS REALLY ABOUT GETTING OUR BOATS OUT AND USING THEM!

Cruise with friends. Enjoy the scenery. Share a few boating stories.

Finish the day with a relaxing waterfront luncheon.

Let's finish the 2026 boating season together with a few wakes behind us and some new memories to carry us through the winter!
